## **NWCC:**

Important topics to bring up to the meeting for possible rule changes:

- Why are we not allowing other groups that host an APHA show to count for NWCC points? We would need to get a bi-law change made to allow all groups that host APHA shows the opportunity to be a part of NWCC if dues are paid.
- Awards need to change/get better. More participation will happen if they are better.
- Why aren't all horses/riders automatically nominated for NWCC if they show at an approved show? Why do they have to fill out the nomination form to make it happen?
- Why do we have to charge all exhibitors the NWCC fee at the show even if they are not NWCC nominated? We would like to push for a rule change for it to be optional if they are not NWCC nominated.
- Lindsay and Delany volunteered to be NWCC delegates with Lisa and Kenny to be back up delegates.

## **Zone Committee:**

Lindsay, Delany, and Lisa volunteered to be the Zone 1 delegates, with Kenny, Kathy, and Erin as back up delegates.
