## **Gaming Show:** January 27, 2019

Kathy Parker will bring their tractor and drag for the arena. Michelle Reiling will bring the electric eye timers. Kathy said that she will bring the poles and barrels for flags. Kenny volunteered to get a set of barrels to use and Kathy will look into having a set of covers made with the OPHC logo put on them. We need to bring our own tables and chairs so that we do not get charged for using the ones there.

## **New Business**

- Triple Crown
  - Tamara Chastain wanted to say "Thank you" to OPHC for stepping up and hosting all of their weanling and yearling futurities at our fall show this year. She said that she is stepping down from Triple Crown and to contact Angela Finegan for any information regarding Triple Crown.
- Gaming, over fences, hunter hack, utility driving, and amateur and youth performance halter classes were asked to be added to the show. Kenny told the members that we will take all of them under consideration and make a decision about them at our show planning meeting after the first of the year.
